

WELCOME TO PERFORMANCE

Insurance for game developers

YOUR GAMES INSURANCE BROKER

Performance is part of Howden. Trusted by more than 200,000 clients across the UK and Ireland, our services are broad and always personal.

At Performance, we have been specialist insurance providers to the film, media and entertainment sector for over 25 years, providing expert insurance solutions tailored to the unique needs of the creative industries we protect. As part of Howden, which serves over 200,000 clients across the UK and Ireland, we combine deep industry knowledge with the strength of a global insurance broker. Whether you're an independent developer, a growing studio or an established gaming company, we understand the challenges you face from intellectual property risks to production delays and cyber threat.

So, whatever your role in gaming development, we're here to help you.

GAME DEVELOPERS INSURANCE

The development of games is an ever-growing sector within the UK, spurred on by great creative minds. With this development comes increasing risks that you need to consider in order to protect your Intellectual Property and manage consumer data safely.

We understand that no two game development companies are the same, which is why we will work with you to create a tailored insurance programme driven by ensuring your business is protected against the risks it may face.

That's why we offer a range of different cover options that can be tailored to your needs, such as:

Property (Owned Technical Equipment, Hired in Equipment, Contents, Buildings or Tenants Improvements)

Business Interruption

Employers Liability

Public and Products Liability

Professional Indemnity

Management Liability Insurance

Business Travel & Group Personal Accident

Cyber Liability and Cyber Crime

Terrorism

PROUD UKIE MEMBERS

colin.powell@performance-insurance.tv

With approaching 20 years of experience in insurance, Colin Powell is the newest member of the team but is no stranger to navigating complex industries. Colin has a proven track record of identifying growth opportunities, fostering strategic partnerships, and driving innovation. Now bringing his expertise to the gaming world, Colin is passionate about levelling up businesses, building strong relationships and creating new opportunities in this dynamic and ever-evolving space.

CODY PATCHWELL
TEAM MASCOT

With a passion for all things gaming, Cody lives at the crossroads of creativity and coverage. Whether you’re developing your first indie hit or managing a full-scale studio, Cody’s here to help you level up your protection. Spawned in a server room and raised on retro consoles, Cody knows how fast the gaming world moves and how unpredictable it can be. From intellectual property quests to the boss battle that is cyber liability, he’s seen it all and has the knowledge to help you stay safe. When he’s not explaining the ins and outs of insurance protection, you’ll find Cody exploring new releases, testing game engines and championing indie devs at expos!
